

**A Gift of Support for the ELCA Malaria Campaign
To Prevent & Treat Malaria in Sub-Saharan Africa
Has Been Given in Your Honor**

This generous gift can:

- Provide life-giving medication to people infected with malaria, which will help them return to productivity
- Supply mosquito nets to a family, protecting them from malaria-carrying mosquitoes as they sleep
- Spray homes with insecticides to decrease mosquitoes
- Provide necessary anti-malarial medication to pregnant women and their unborn babies
- Educate and raise awareness about how to prevent, diagnose, and treat malaria
- Accompany our Companions in eleven countries by providing them with funds for resources and programs to prevent, treat, and contain malaria in their midst

Malaria claims nearly 800,000 lives annually, including 10,000 pregnant women and their unborn children.

Malaria takes a child's life every 45 seconds!

This gift provides health, life, and hopeful futures!
