

## **The H2O Challenge**

**Celebration of Confirmation 2009**  
Minneapolis Area and Saint Paul Area Synods

**Drop by Drop!**  
**We can Make a Difference!**

Raise awareness and money to repair and drill wells in our Tanzanian and Nigerian companion synods and help provide clean drinking water for thousands!

**Take the H2O Challenge!** [www.theH2Oproject.com](http://www.theH2Oproject.com)

- For 2 weeks make water your only beverage (and drink it from a reusable glass or container)
- Contribute the money you would have spent at the grocery store, coffee shop, or soda machine toward the drilling of clean water wells!
- Bring donations to the Celebration of Confirmation event or mail them to your synod office! (This is an ongoing initiative through the school year; consider a Lenten or Earth Day challenge for your whole congregation!)
